It's a shame that one of our favorite adult film stars, hardly ever does interviews. She's just as we imagined, sweet, beautiful, full of personality and one sexy fuck.

Kelli

Now she's just how we want her; sexy lingerie and stockings. We love garter belts and thongs and she wears them perfectly. But not for long. So after she gets undressed, we get right to the business of fucking. She's sexual woman personified as she devours cock in her mouth and pussy.

notes with Kelli

We were invited to spend the afternoon with Kelli Leigh at her Woodland Hills shoot. A reader perennial favorite, she spoke and we listened, and took notes.

Thank you for taking a moment to speak with us. As you know, we're great admirers of your work. You seem quite comfortable here. This is a nice place to shoot in. Is it yours?

I wish! No, it's not mine but I've shot here so often that the owner and I have become good friends. When I'm here, he gives me run of the house, and he's always been very accommodating to the other actors and the crew. And NO, in case you're wondering if I fuck him.

Do you enjoy being an adult video icon?

I don't really have a time to contemplate that. When I'm feeling horny, I'll call my agent and within a few hours there's a camera crew and the man, men, woman or women of my choice ready for me.

What attracts you most about a man?

I like guys with personalities, big hearts, and big cocks. I know it sounds cheesy, but I do. I like men who both respect and know how to please a woman. Plus, he has to have great smile and a know how to play a good game.

He also needs to have plenty of swagger and be really good in bed. Having some disposable income goes a long way, too, but it's not what I look for

What's something that turns you on about a man?

I'm the type of girl who needs a lot of affection and I love a man who likes the same thing. I like it when a man kisses and touches me every chance he gets. It doesn't have to be sexual; just being comforting can go a very long way with me.

And what turns you off?

Stinky breath turns me off much quicker than a light switch. If you can't get close to his face, how can you kiss and cuddle. That's especially true of cigarette smoking guys. Yuck, not near me. I'm also turned off by guys who talk and talk and talk. I talk a lot and he shouldn't talk more than me.

How do you get into the mood for great sex?

Foreplay is the number one thing. You have to put some work into it. There is no wham, bam, thank you maam with me. It helps if you touch me everywhere – slowly. Now that gets my juices flowing. A nice glass of wine or champagne loosens me up, too.

What's the hottest and wildest sex you've ever had?

Outside of work? I once had a threesome with another girl and guy. We were in Las Vegas and he had won several thousands of dollars at the poker table. We all were pretty loose and went into his room and got it on. It was three days of non-stop fucks and eats.

How many times have you made it with women?

I really don't keep score, but I think it's been quite a few over the years. Women are great lovers.

Is there anything special you do to please your man?

If you're talking sexually, I've been told that I'm really good at giving head. I've had an awful lot of practice so my technique is pretty good. That's always been a huge turn-on for guys. My mouth is very active. I like to deep throat and I like to suck on their balls. Plus guys like it when I swallow.

Are you a big fan of receiving oral sex?

I'm turned on by giving head, but I also love getting it. You have to show your man how to please you down there. Men like to rush things and I end up getting sore, but slow and easy will win my heart.

Where is the most interesting place you've ever fucked somebody?

Well, it was riding a horse and we did it in the saddle while riding. We were both facing forward and I was sitting on his cock as the horse trotted. It was all the motion we needed. I grabbed the saddle horn for support and rode that cowboy for at least a mile down the trail.

What's your favorite position?

I like getting it from the back, doggie style. Men like to feel in control and this position lets them do it. They control the thrusting and the pace. Plus they like to play with my butt hole at the same time.

How important is size?

If you're talking penis size, then it's somewhat important. He has to stay hard and be able to hit the right spots. If he's too big, then it's hard to give a decent blow job. Just can't get it all in my mouth.

What's your ultimate fantasy?

I think I've pretty much done it all. However, I can imagine doing it on a moving train. The power, the shaking, the screaming wheels. I could ride that iron horse all the way to orgasm. Now that would be hot!

Blonde bombshell Candy Apples has been in the adult industry for many a year. So long in fact, that she doesn't remember when she started. Like many who do something for a long time, she thinks she is better at it now than before.

the party's in my pants the art of the deal

I NEED CONVINCING

For the past year I've been having side sex with Rachel with every visit I make to San Diego. I'm an L.A. entrepreneur that's setting up two business down there. Rachel's husband is one of the guys looking to franchise my properties. I have not yet decided who will get the nod, so Rachel is trying to convince me to give it to them. And so far she'd done a pretty good job. On me, that is.

I started to kiss her nipples and began biting on first one then the other, nibbling at them with my teeth.

She gets away with excuses to her man and we meet somewhere new each time. Today, it's at the Padres game. The other guy looking to franchise with me has a small box there and I took his space for Rachel and I. Don't think of me as a bad guy. Just someone who knows how to get what he wants.

We get it to the game and to our windowed paradise. The game was going on below us as we watched for a while through the big plate glass. The first three innings went by without a run so my attentions refocused onto Rachel. We both knew what we

wanted as I pulled Rachel towards me. She melted in my arms. I started to kiss her and she willingly responded to me, walking me backwards toward the couch. It had been more than two months since my last trip. Longer than most other times.

I went to be sure the door was locked and we collapsed onto the small sofa and both got undressed

were as hard as bullets and her pussy was flowing with her wetness. Never had she felt so wet. My cock was rock hard in anticipation.

I started to kiss her nipples and began biting on first one then the other, nibbling at them with my teeth. Rachel threw her head back and groaned in ecstasy. Running my tongue gently over her stomach, Rachel opened

like over-eager teenagers going at it for the first time. Very soon they were both naked. Rachel's nipples

her legs as far as she could, allowing me access to her fully aroused clit. I gently nibbled it between my

teeth and Rachel came almost immediately.

In a muffled voice I heard her demand that I lick her pussy. I duly obliged and snaked my tongue inside the folds of her labia and then deep into her pussy. As I was licking her, I maneuvered my body so we were in the 69 position with my cock only inches away from Rachel's mouth. She eagerly took it and started sucking eagerly taking it deep inside her mouth fondling my balls as she took as much of it as she could.

We were both nearing climax, and as I licked hard on her pussy Rachel sucked even harder on my cock. Our timing was perfect as Rachel hit her orgasm, I shot a huge load of cum into her mouth and she hungrily swallowed every last drop licking the tip clean. We changed positions and I laid her onto the sofa. Her legs were wide open and her pussy was glistening. I buried my cock into her right to the hilt and could feel my balls against her ass.

Man, how we needed this as she found herself meeting my every thrust until finally I came again shooting a huge load deep inside of her. She came again as well. I was good night. I think the Padres won. I told her I'm about to make a decision about the franchise, but I had to meet with the other guy's wife.

MORE THAN A DANCE

My wife Monica is a wonderful woman, and I don't want to let her go. We needed some quality time together to rekindle our love and, hopefully, some of the sex that had been lacking over the years. We decided to go to Las Vegas and live it up a little, hoping the excitement and all the things to do there would give us opportunities to be together. We arrived at our hotel, unpacked and decided to get something to eat. While we were on the way to the restaurant, we passed a few strip bars and started commenting on how it's been since college that we had gone to one. We decided to stop into a well established club away from the big glamorous clubs that are all over Vegas for a drink.

The place was about half full as we were escorted to a booth towards the back and ordered our drinks. There was a tall pretty girl on stage seemingly just going through the motions. She had big, floppy boobs but a cute body. Monica and I checked out the dimly lit space as the girl went through her "sexy" routine. After our drinks came, one of the dancers came over and introduced herself to us as Sapphire. She was about twenty, with shoulder length hair. To our astonishment, Sapphire came right out and asked Monica if she want-

To the editors,

I was the senior counselor at a girl's summer camp in the Adirondacks in upper New York state when I overheard some of the other female counselors talking about having a party after the camp goes to sleep for the night. Here, that's ten pm on Friday night. Shayna (not her real name) came to me and said she'd record the whole thing on her cell phone and give it to me as evidence! That night it turns out that she was one who got very drunk and the girls spotted her filming them and they turned the camera on her. She started taking off her clothes and playing with herself. Another girl went down on her while the other two played with her pussy!

She must have been loving it because she was already wet. Then the camera was taken by the third girl and she started filming her two friends eating out Shayna before they took out the toys! They took turns fucking her and licking her clit before Shayna did the licking and fucking! The girls fucked her pussy with a big pink dildo. When I saw the video I was shocked, and a bit more excited than I should have been.

— Murry, Columbus, O.

I put my hand between her legs and slid my fingers up into her soaked pussy. I pressed my cock head against her slit, and in a brief moment I was inside.

ed a lap dance. We excused ourselves and asked her to come back later. We discussed her offer and Monica was intrigued by the possibilities.

Another round of drinks was all it took to get her to agree to have Sapphire do a sexy lap dance, but soon became more than a dance. Slowly Sapphire finished began to take off her rhinestoned top and rub her breasts. She took off her bottom, leaving herself in a tiny g-string and her clear-soled, high-heeled shoes. She whispered something into my wife's ear who then slinked down and pulled her panties off under her skirt.

Then she undid her blouse and released her boobs from their confinement. Sapphire motioned over to the bartender and then the lights dimmed in the back area where we were. Now our table was only lit be a large red candle and the ambient light in the club. As my eyes adjusted, I noticed that Monica and Sapphire had begun to suck on each other's boobs.

Sapphire got down on her knees and started licking Monica's clit, then snaked her tongue into her gash. She slid a finger in my wife's pussy and pumped it in and out, while wiggling the tip of her tongue against Monica's clit. She plunged it deep into Monica's kitty, lapping at the tangy walls and causing Monica to shudder with an orgasm that left her clinging onto the tabletop.

Sapphire rose up and sauntered over to where I was sitting and gave me a sloppy kiss that made sure that I sopped all of Monica's sweet juices off her hot tongue. She straddled me and ground her pussy against my crotch. My cock was out of my zipper and filling with blood and was soon huge. I put my hand between her legs and slid my fingers up into her soaked pussy. I pressed my cock head against her slit, and in a brief moment I was inside.

With a squeal, she pumped up and down on me for a moment. Monica knelt on the floor behind Sapphire

so she could lick her sweaty ass cheeks as I boned her. Sapphire spun around with me still inside, and Monica put her mouth between the dancer's legs. I could see my wife licking Sapphire's pussy as I fucked her. Her tongue was wet against my cock as it slid in and out of Sapphire's dripping snatch.

She climaxed with a muffled scream. Just as I was about to come, I pulled my cock out of Sapphire's pussy and stuck it into Monica's. My wife was so worked up that I had her climaxing in seconds. It was a good thing too, because I was right behind her, spewing most of my load into her deep pussy. I saved the last few drops for Sapphire, who let me squirt them on her breasts. She took her fingers and swirled up the cum and began to lick it off them. .

Monica and I didn't hit the road for a few more days, never leaving the hotel, except for the day we spent at Sapphire's place. I'm happy to say that Monica and I are now happily married ever after.

We saw Cheyenne taking selfies in the back yard in nothing but a bikini. Her cute face, ripe perky tits, and beautiful ass where enough to make our jaws drop. We came up with a better idea, why not make a video? Cheyenne even did a little strip

Cheyenne

as she took off her bikini. She's a real firecracker and in a minute she was down on her knees and started sucking dick like a true freak. She was only getting warmed up on that cock. Then she took over and got on top to show off her stuff. It was insanely hot watching that ass bounce all over his cock.

Antonela's always been a rabble-rouser. In college she instigated a raid to the boys locker room. Then a beach party where naked mer-men came out of the water and danced for the girls. She likes to have fun.

I went to nursing school so it's just my job!

I turned thirty last week and also celebrated eight years on the job. I also celebrated six months without a husband. As a prep nurse on a hospital surgical floor, I'm responsible to get patients ready for surgery. This involves many different things depending on the type of surgery to be performed. For a man's chest or abdominal operation, this means shaving his chest to just below the groin. I give them a choice of a straight razor or a twin blade.

Admittedly, there are some men that seem to get turned on by this, but most are not. As a matter of fact, the younger ones are more embarrassed than the older ones. Maybe it's the years that have made them more accommodating. I try not to turn the patient on, but sometimes it's just unavoidable. Some men are just more sensitive down there and they react by having an erection. I try not to pay attention and just do my job, but if the guy is good look-

A nicely built 50-something was in for groin surgery. He had been there for a couple days and I noticed him as I walked my rounds. When I learned why he was in the hospital and that I'd be prepping him, I kinda got a bit more excited than normal. Confused, I spent a sleepless and sexless night wondering if I should be a bit more "careful" with my shaving. After all, he was going under the knife.

Surgery was scheduled for 6:00 am the next day and I got to the hospital at four. The patient, – let's call him Fred – was sleeping when I entered his private room. I gently clanged the stainless bowl with the warm water as I pushed the cart near to his bed. He rustled a bit and half-opened his eyes. When he saw me, they opened even wider. "Good morning." I whispered. "Are you ready for your surgery today?" He nodded sleepily as I told him I was the prep nurse and was there to shave him. He said 'okay' quietly and rolled over on his back. I asked him to undo his hospital gown and he could pull it up or take it off altogether. He pulled it up around his neck as I showed him that I was warming my hand and that the water was warm, too.

He raised his arms and put both hands under his head intertwining his fingers. Without even ask-

Many ask what the difference is and I explain the straight razor is more "old school" and many older patients prefer it. I also think some of the male patients like the look of a nurse in uniform holding that straight razor. I think I'm kinda good-looking so the turn on may be even greater.

ing and turns out to have a nice penis, I may take a bit longer to shave him. Maybe even lather him up a bit more. Now, I have never done anything with any patient but have thought about it several times. Some guys have even asked me for a little more titillation, but I've always refused. Until eight months ago.

ing, I opened the straight razor and squirted some shaving gel onto my hands working it into a small lather. I started just below his nipples and rubbed the gel into his chest watching the foam get bigger. Well as it turns out, it wasn't just the foam. His chest was not too bad and the shaving went quickly. However, from his belly button to his upper thighs he was a bit more hairy.

I lathered him to where his penis meets the belly and shaved it down to there. He had held pretty still so far. Now it was time for the area around the penis. I noticed that he had some hair on it which meant I had to shave the shaft, too. I had done this before and very slightly cut a patient there once. He was gracious about it and said it probably wouldn't have happened if he was hard. I kept this in mind as I lathered him down there. As you might expect, he started getting harder from the half-hard stage he was at. I told him I had to shave some of his shaft and it was better if he was hard. He looked at me agreeing, and closed his eyes. I stroked the base and worked in the lather. His cock jerked a few times until it was rock hard and a good eight inches or more. Professionally speaking, of course.

I finished lathering to the sides of his penis and pushed it against his belly so I could get some foam onto his balls. He squirmed at my touching him there and said he wasn't expecting that. I told him that my orders were to clean shave him and that's what I had to do. He settled back and I started with the razor around his penis, washing the blade off as it accumulated the foam. I gently held his hard on just below the head as I pulled the razor down his shaft. I did it slowly and carefully squeezing his cock a little as I finished. Then on to his balls. I pulled the skin tight and

changed razors to the twin blade so there less chance of cutting him. As I finished shaving his balls, my free hand took the liberty of giving a little squeeze as I finished each one.

"Finished?" he asked. "Yes, Just have to wash you up." I said softly. Taking the washcloth, I dipped it into the warm clean water in the second bowl; wrung it out and started to wipe the excess foam off him. Taking it slowly, I stroked his still-hard cock under the cloth. I could tell he tightened his cock muscles as I squeezed it. I put the cloth into the water to rinse it off, but continued stroking him with my free hand as if it was part of the job. As I patted down his balls, he let out a small noise and I apologized if I was too hard on them. He said 'no' looking at his cock and pointed to a spot I had missed.

I used my finger to wipe that last white morsel of foam near his cock head. I then got and pulled out a fragrance-free lotion and began rubbing it into his groin area. Of course I took some extra time on his cock and balls. He just laid there as I rubbed him harder and stroked him longer until I lost control and jerked him to a climax. His cum spewed down the shaft and over my fist still grasped around his cock. He did nothing to stop it himself and when I realized what I had done, I began to stammer and apologize, but he said it was nice and not to worry, just clean it up for him.

I got the washcloth again and

wiped it up. Hastily, I gathered up myself and my stuff and left his room with a half hour to spare. I went to the nurse's lounge and sat down contemplating what I had done. Later I learned that Fred's surgery went well and no one was for the wiser. Until a couple weeks later when the head nurse recounted a story of how a family friend of hers had gone to the hospital for surgery and the prep nurse masturbated him before his surgery. She put two and two together, asking if it was me. I told her it was and that it was an 'accident.' Just a slip or two of some extra strokes while cleaning him up.

Well, the head nurse told me to take a couple weeks vacation and

think about what I did. Fortunately, the rest of the hospital never found out so my job is safe for now. I haven't done it again, but think often back to that morning and masturbate myself. When I meet my new man, I think I'll shave him and have him shave me, too. I bet the sex afterwards will be great! Don't you?

It seems that the older I get the hornier I get. And the more I want to try something new. Not the same old sex in the same old, tired positions. Even though there is very little new to do, it becomes new with a new partner or place. That's what I look forward to.

A big hello to all my fans! I've done this special photo shoot just for you. After almost one hundred adult movies, I retired from the business, but every once in a while I want to let my hair down and play around in front of the camera again. It gets my juices flowing, so I hope you like what you see.
